**Order Granting Motion
to Extend Time**

[ECF No. 6]

10 Pro se petitioner and parolee Robert Dixon brings this habeas corpus action to challenge
11 his 1989 conviction for trafficking in a controlled substance. I screened his claims and directed
12 him to file an amended petition by December 4, 2017.¹ Dixon then moved to extend that
13 deadline to December 14, 2017, arguing that the person assisting him with his legal work was
14 ill.² Ultimately, he filed his amended petition on December 7, 2017.³

15 I find that Dixon has established good cause for the brief extension of time. Accordingly,
16 IT IS HEREBY ORDERED that Dixon's motion to extend time **[ECF No. 6] is GRANTED**
17 nunc pro tunc. His December 7, 2017, amended petition will be deemed to have been timely
18 filed.
